The *Team Ministry Spiritual Gifts Inventory* is a discovery tool that provides you with a personalized analysis. Not a test, but a simple questionnaire giving you a profile of your God given spiritual gifts.

Discovering and exercising your God-given spiritual gifts allows you to experience maximum fulfillment with minimum frustration in your Christian life and ministry. For that reason, we are pleased to offer this personal Spiritual Gifts Analysis to our group members.

INSTRUCTIONS

This questionnaire will help you identify your God-given spiritual gifts. While there are many spiritual gifts, this evaluation covers the nine task-oriented gifts used in daily life to do the work of Christian ministry. Every Christian has a dominant gift and many possess more than one. Through this analysis, you will find out in which areas you are "less" gifted and will also discover your dominant task-oriented gift. You can then begin to concentrate on further developing your dominant gift as you exercise it in daily life and in your local church ministry.

The following 108 questions or statements deal with your feelings and desires, so be sure to let your responses reflect your own opinions of yourself. As you read each question or statement, click the button in front of the most accurate answer: **Almost Always** (if the statement fits you 70% to 100% of the time), **Occasionally** (if the statement fits you 40% to 70% of the time), or **Not Very Often** (if the statement fits you less than 40% of the time). Remember, this is a self-evaluation; there are no "right" or "wrong" answers.

When you have completed the questionnaire, you will be able to view a bar graph of your scores for each gift, a description of your dominant gift, and several pages of personal analysis. You will also have the opportunity to print out the results.

PLEASE NOTE: You should not go back to a previous page after you start the analysis or the results will be corrupted or not appear at all upon completion.
